Would you be interested in
attending a gardening
workshop in Hopkinton?

☐ Yes

Sign up for your own space to garden! No experience necessary. Each gardener is assigned a plot. Participants harvest produce from their own plots. Each gardener chooses the design and plants they want to grow. The garden must be maintained organically. All plots are 25' x 25'.

Garden Info and Fee:

Garden plots are \$15 per plot per growing season. Plots are available on a first-come, first served basis. Priority is given to the previous year's gardeners. The garden is in the field across from the Chapin's house at 331 Maple Street. Bill Chapin generously offered the use of this land in memory of his wife Julie.

Garden Rules:

THIS IS AN ORGANIC GARDEN. Gardeners must follow the Hopkinton Community Garden Rules and Etiquette, knowing that non-compliance could result in immediate loss of your garden plot **without a refund**. Organic gardening guidelines and help will be available throughout the season. Please park **INSIDE** the rock wall, not on the street.
